Nano Girl's Instant Ice Cream

EQUIPMENT & INGREDIENTS

- One small zip-resealable sandwich bag
- One large zip-resealable plastic bag
- 120ml (1/2 cup) cream or full fat milk
- 12.5g (1 Tbsp) sugar
- A few drops of vanilla or other flavouring of your choice
- 3-7 cups of ice
- 75g (5 Tbsp) salt

INSTRUCTIONS

- 1 Add the cream, sugar, and vanilla to the small bag and seal, ensuring that any excess air is released.
- 2 Place the ice, salt and cream-filled bag into the larger bag and seal.
- 3 Vigorously shake the large bag over a sink for approximately 5 minutes. Stop when the cream has started to freeze and turn into a solid.
- 4 Remove the small bag and quickly rinse off the salt solution with cold water.
- 5 Pour the ice cream into a bowl, add your favourite toppings and enjoy eating your newly frozen dessert!
